The following is an examiner's statement of reasons for allowance: the prior art neither discloses nor makes obvious a swirler assembly having a ferrule body with a substantially square base and a central opening as claimed including plural protrusions along the upper surface of the side edges, and a unitary swirler body including first and second swirlers which have oppositely angled passages and are disposed coaxially around a venturi and wherein the unitary swirler comprises a pair of rails, each comprising an inwardly extending flange, each formed on opposite sides of the venturi, for engage and limit separation of the ferrule body.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charles G. Freay whose telephone number is 571-272-

4827. The examiner can normally be reached on Monday through Friday 8:30 A.M. to 5:30 P.M..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Timothy Thorpe can be reached on 571-272-4444. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
